HEALTH & Career Explorations {Combo}	Satisfies Graduation Requirement. Student must take both courses over the 6-week session.	10	\$800

Online Courses: The courses below are completed online, with and all assignments are completed independently by students & submitted according to a class assignment calendar. These courses require students to be highly-independent learners. **In accordance with the WVUSD requirement for receiving credit for online classes, students will be required to attend 1 weekly online meeting session (30-60 minutes) with their instructor, during each week of the 6-week program.** Instructors will provide multiple options during the week to fulfill this requirement.

Asynchronous Courses	Pre-Requisites	Credits	Tuition
Health (Online)	Satisfies Graduation Requirement	5	\$500
Career Explorations (Online)	Satisfies Graduation Requirements; BRAHMA TECH students should NOT enroll in this course , as they will take Innovations in Technology instead.	5	\$500
(COMBO) Health & Career Explorations** (Online)	Student will be enrolled in BOTH of these Online courses	10	\$800

*A \$20 science lab fee will be collected for necessary course materials for Biology and Chemistry classes.

** ONLY students participating in the **Brahma Tech Academy** may enroll in Innovations in Technology, and must have successfully completed the Brahma Tech admissions process before the start of summer school.

How Many Courses can I Take?

Students can take 1 “On-Campus” Course (10 Credits) AND “Online Health” (5 Credits) and/or “Online Career Explorations” (5 Credits), for a total of up to 20 Credits. **Students are responsible for meeting course pre-requisites when completing the application process in order for enrollment to be valid. Students submitting invalid applications or failing to meet course pre-requisites will be dropped from the course, without a refund.**
