

Dear 2019 Health Online Students,

We are excited to have you enrolled with Mr. Whitesel this summer. Mr. Whitesel comes to us with years of experience working with high school and middle school students in our district. He is also an expert in online learning and we are thrilled to have him teaching our Health class again this summer.

You may pick up his textbook in the WHS front office or you may use the following information to sign in for a digital textbook. If you sign out a book in the front office, please return it at the end of the summer session to have your name cleared.

All instruction and testing will be done online. Remember, if this is your first virtual course, communication with us is key. Watch your deadlines and time stamps if you are out of the area or country. You might want to set reminders in your phone. If you have questions, communicate with your teacher just as you would if you were on campus. We are here to help you. If you have any difficulty completing the first steps setting up your login, reach out as soon as you need assistance. Do not wait and risk falling behind.

Your course is 6 weeks as many of you are also taking an on campus course. This should help you balance your workload. However, do not put off your online learning and fall behind. If you have any questions contact your teacher at awhitesel@wvusd.k12.ca.us or Mr. Coad at rcoad@dedicated2learning.org.

Good luck, we hope you enjoy your course.

Please follow the link to Mr. Whitesel's sign up directions below :

<https://forms.gle/AELefu9gUnAg4hc96>

With your information, Mr. Whitesel will be able to reach out to you June 10th to start the class. We will have new students adding the class on Monday June 10th, so please complete the form above by 5pm on Monday June 10th.

Online Textbook:

1. Go to: www.g-wonlinetextbooks.com
2. Use the shared classroom account.
3. Enter the following:

User: wvusd02
Pass: comp18
