

Hello,

Welcome to your 2019 Online Civics course. We are thrilled to have Ms. Kelli Seawright return to us again this summer. Ms. Seawright has been a classroom social science teacher at Walnut High School and now works as an expert in online instruction and learning. You are in great hands with her this summer.

Textbooks are available in the WHS front office. We will be changing textbooks for the coming year so if you would like a traditional textbook you can pick it up and do not need to return it to us. Ms. Seawright will also have digital textbook content if you prefer to live completely online use a digital textbook.

If this is your first online class. Please communicate with us if you have any questions or difficulties. Treat your relationship with Ms. Seawright just as you would with a teacher on campus. Let her know if you are struggling, send feedback if things are going well. Watch your deadlines and time stamps carefully. If you are traveling, set reminders in your phone based on our time here in Walnut (Pacific Time Zone). Login in by required times to satisfy “attendance” requirements. Don’t forget, you are going to accomplish a semester course in only 3 weeks. Do not procrastinate. Students who stay on track do very well and earn high marks with Ms. Seawright. We truly want you to enjoy the class and be successful.
